## Ultra Wings

Made in EU

### ABOUT US

#### Our Mission

Susi is a brand of premium sanitary products from Queenscares GmbH Germany. Queenscares GmbH Germany is on the mission of making all girls and women all over the world feel like princesses and queens in control of not only their menstrual hygiene but all aspects of their health through our cutting edge and affordable hygiene products.

#### Our Vision

- Contribute to the advancement of the menstrual health knowledge of every girl and woman
- Improve female hygiene worldwide
- To uphold the very high quality benchmark with our products by continually investing in more research and development

### WHY CHOOSE SUSI – 8 REASONS

Our products are manufactured using superior German technology under world class standards to ensure the premium quality and products that does not only meet the expectations of girls and women but surpasses them.

- ✓ **Robust wing technology**
- ✓ **Individually packed:** for ease of carrying in your purses or bags
- ✓ **Ultra-thin and uniquely shaped:** to fit any panty without the feeling of bulkiness or compactness
- ✓ **Aloe Vera:** acts as an organic disinfectant, boosts immune system, soothes skin etc...
- ✓ **Extensive product range:** Great products for day and night use
- ✓ **Super absorbent capabilities**
- ✓ **Skin friendly:** Susi products are tested in German laboratories and do not cause any health issues or irritation by its use
- ✓ **Ultra-premium quality products at affordable prices**
